

Vision 2047 and Charting a Future of Innovation – A Tribute to JRD Tata's Legacy

S. Ramadorai

Former CEO & MD, Tata Consultancy Services

The lecture honors Shri JRD Tata and Dr. Homi Bhabha, celebrating their significant contributions to India's industrial, technological, and scientific progress. It highlights the essential link between scientific research and technology in shaping a prosperous, inclusive, and sustainable future. The talk reviews historical and contemporary milestones in these fields, discusses current challenges and future opportunities, and aims to inspire thought leaders and innovators. It emphasizes the importance of collaboration, ethical leadership, and commitment to societal well-being, urging stakeholders to advance innovation while upholding social responsibility.

Mr. S. Ramadorai is an esteemed leader with a distinguished career spanning several sectors. From 2011 to 2016, he chaired the National Skill Development Agency (NSDA) and the National Skill Development Corporation (NSDC), focusing on skill development, technology integration, and collaborative efforts. Currently, he leads Mission 'Karmayogi Bharat,' a major capacity-building initiative for Indian civil services, and serves on multiple boards across various organizations.

His notable tenure at Tata Consultancy Services (TCS) began in 1996 as CEO & MD. He has been honored with the Padma Bhushan and CBE for his contributions to IT and Indo-British relations. Outside of his professional achievements, he has a keen interest in photography and Indian classical music. His leadership and innovations have significantly impacted various fields, inspiring future leaders.
